Our reference
EN 14351-1

Statement

This is to declare that the CE certification for doors and windows according to EN 14351-1:2006+A2:2016 was performed by TÜV Rheinland (Shanghai) Co., Ltd, under responsibility of TÜV Rheinland Netherland B.V. (Notified Body 0336).

The CE initial type testing reports have been already issued by NB 0336 which means the tested types of products meet the basic requirements of CE certification and can be shipped to European market. The CE reports are:

Product	CE report No.
Fixed Window (E3 series)	89224568-01
Dual Action Window (Tilt & Turn Window, E3 series)	89224568-02
Single Side-Hung Casement Door (E3 series)	89224835-01
Single Side-Hung Casement Window combined with Fixed Window (ONE series)	89224835-02
Single Side-Hung Casement Window combined with Fixed Window (X2A series)	89224835-03

The initial Factory Production Control audit was also performed. All of the NC items are closed and the corrective actions are accepted. The related audit documents were submitted to the Notified Body No. 0336 - TÜV Rheinland Netherland B.V for final review.

The official CE certificate will be issued after certifier’s final approval.
